

Sarah Anne Ward.

June 26th 1857.

Medical Receipts.

1
A Receipt for an Elixir.

2 oz of powdered Gumma, 1 lb of the best
Rhubarb sliced, to be well mixed together
with 2 Tablespoonful of Brandy, & to be
taken as required.

Saline Mixture. Miss Robyns.

25 Grs of Carbonate of Soda. 1 Tablespoonful
of Lemon-juice, 2 Oz of Spring Water.

For a Cough Miss (Ryko).

1 oz of Syrup of Poppies. 1 oz of Balsam of
Torehound. 1 oz of Clarified Honey.

1 oz of Syrup of Squills. A Teaspoonful
mixed in a small quantity of warm
water, to be taken at bed times.

2

A Receipt for the Whooping Cough.

Spirits of Hartshorn, & Oil of Amber, of each $\frac{1}{2}$ an ounce, mix them well together, & rub the back bone with it night & morning.

Mrs Wilkinson.

A Gentle Laxative

2 ozs of Epsom Salts.

1 oz of powdered Rhubarb.

1 oz of compound Tincture of Cardamom.

To be put in a quart bottle of Peppermint Water, & take 1 oz fasting in a Morning.

For a Cough

Mrs Kniford.

15 Drops of Tincture of Squills, a small Sea Spoonful of Iregoric, & a Sea Spoonful of Honey. Mix these ingredients well, with the Alkali receiver for a Saline Draught, & take it in a state of effervescence.

3 A Dessert Spoonful of made mustard,
in a Tumbler Glass of warm water, will
act as an instantaneous Emetic.

For a Burn or Scald. Miff. Recd.

60 drops of Extract of Gold, to a cup of
Beer.

A Receipt for bilious Head-ache. Miff. Recd.

1/2 a tea Spoonful of powdered Rhubarb.

1/2 a Do Do of carbonate of Soda.

1 a Tablespoonful of Tincture of Rhubarb.

To be mixed with very hot water, &
sufficient acid to make it effervesce.

A Good Recipe for inflammation. Miff. Recd.
in the eyes.

1 Tea Spoonful of Liniment. 1 Do of Glandys.
1/2 oz of Rose Water. 10g of Spring Water.

4 A Good Recipe for Wound in Children.

Two Grains of Calomel. $\frac{1}{2}$ Dr of Salap.
Mince together with a little powdered Sugar.

For a weak Stomach Mr B. Cooke.

2 Grains of Soda. 2 Dr of Gentian Root.
2 Dr of Camomile flower. 1 Dr of Rins.
Orange Peel. Pour a pint of boiling water
upon the above, & when cold, strain
it off, & add 2 Ounces of Cherry. A wine
Glass full to be taken twice a day.

A Good Recipe for cleaning Brass &c

10gr. of Stalic acid. (dissolved in a very little ^{water} warm
& Penny of Rectified Oil of And. Ber.
2 Ounces of Potash Stone. a very little of
of Sulphuric, & a pint of Water. Keep
it in a bottle, & rub a little of it, on
the Brass or Copper, with a bit of flannel,
then wipe it off with a. Duster.

For the Tooth-ache.

Camphor 2 Grains. Powdered Opium 1/2.
Rectified Spirits of wine, enough to make
a pill. The pill to be applied to the
tooth, but not swallowed.

For a Grain.

Equal parts of Salolomite, & Laudanum
after bathing the part with warm water
well rubbed.

An excellent recipe for pills, to be
taken, if you cannot sleep, or for a cough.
bances.

Extract of wild Lettuce	1 Drachm.
Powdered Turkey Rhubarb	2/2 Scruple.
Ipocacuanha powder	1/2 Do.

Mix these ingredients together & divide
into 34 pills. One or two of these pills
to be taken at night, or in the day time
for a cough, if necessary.

6

For a Cough.

W^m H. Cooke.

Ipecacuanha Wine _____ 1 fluid Ounce
 Tincture of Quilla _____ 30 Drops
 Spirit of Sweet-Rubia _____ 1 fluid Ounce
 Ammonia Mixture _____ 5 1/2 Dps.
 Mix all together, & take a large Tea-Spoonful
 twice a Day.

A Tonic Draught. Li. R. Hafford.

1 oz of Epsom-Salts & 1/2 oz of Turkey Rhubarb.
 2 Ounces of Tincture of Cardamom,
 1 Pint of Peppermint-water. Take one
 or two Table-spoonfuls at a time.

For Gravel.

Dissolve 3 Ounces of prepared Nitre, in
 2 Quarts of water which must be soft.
 Take 1/2 this quantity in the course of
 the Day, continue it for a few Days, & the
 Complaint will be removed. It may
 be best taken after a meal, in plenty
 of Rye-water.

7 Strengthening Mixture. Miss L. Recd.
Take of Canton Root sliced, & dried Orange
Peel, of each, $\frac{1}{2}$ a Drachm. Fresh Lemon
Juice 2 Drachms. Boiling water 12 Ojss.
Let these ingredients stand for an
hour, lightly covered, & then Strain.
When Cold, add 2 Ojss of powdered Rhubarb.
& an oz of Tinct^{re} of Cardamoms, & 12 Gtss
of Ginger. A wine glass may be taken
twice a day. Excellent after Cholera.

For the Croup.
As soon as a Child is Seized, it should
have a strong Emetic & afterwards
2 Gtss of Calomel every hour, untill the
dangerous symptoms (that is the croaking)
are removed. A Child of 6 months old has
been known to take 20 Gtss in 14 hours.

For a burn or scald.

8 To stop vomiting, & sickness.

Take a large Onion Bulb, & lay it
ab. over the stomach, & renew it every
3 hours. - A Tea Spoonful of Rhenish
Brandy, will sometimes stop it - or a
glass of very hot port wine, but the last
must only be used where there are no
inflammatory symptoms. - also a Table Spoonful
of Lemon Juice & 1/2 of water. - Or a
little Magnesia mixed in Sweet milk, &
a tea Spoonful given at a time.
Another - Boil Mint in water till it is
as thick as porter. 1 Tea-Spoonful may
be given at first, the 2nd

For a sore Mouth

2ozs of Tincture of Myrrh & 2 Spoonfuls
of Honey, with 4 D^o of Brothy water.

Embrocation for Rheumatism.

Dissolve 1/2 oz of Camphor in 2ozs of Oil of
Turpentine, & rub it on the part affected.

9 A Good Mixture for a Cough
10z of Gum Arabic, & $\frac{1}{4}$ lb of white Sugar
Candy, put into a pint of fresh Spring water
& boiled till it is reduced to $\frac{1}{2}$ the quantity.
You may add Lemon Juice if you like.

The Pills. (Cholera)

No 2. Calomel, & Compound Extract of Colocynth,
each 2 $\frac{1}{2}$ grains, in each pill.
No 3. Rhubarb 2 grains. Rhubarb 2 $\frac{1}{2}$ grains in each ^{pill}.

For a Cough.

Tinct^{re} of Sassa 3 Dr. Tinct^{re} of Sassa 1 $\frac{1}{2}$ oz.
Tinct^{re} of Squills 1 Dr.

For Broken Childbearing.

2oz of Bees wax, 2oz of Hog's Lard, 1 table spoon
of brown Sugar, dissolved together, & applied
on Bag.

Dressing for a Blister.

$\frac{3}{4}$ oz of Spermaceti, $\frac{1}{4}$ oz of white wax, 3oz
of Olive Oil mixed together, & melted over
the slow fire.

Strengthening Aperient. ^{Dr. B. Cooke.}
 Powdered Root of Trachium. Powdered Ginger.
 Senega Senega 1 Scruple. Put them in a
 vessel with a quart, & pour 1 pint of
 Boiling water upon the ingredients, & let
 them infuse till cool: then strain it
 off for use. A grown up person may
 take 3 Tablespoonfuls.

For the Hooping Cough
 Five pennyworth of Gum & 2 pennyworth
 of Spirit of Turpentine, mix them well
 together & rub the child's back well, with
 before the fire, night & morning.

Dr. Earle's Receipt for my Sister.
 Carbonate of Iron 1 Scruple. Red Rhubarb 1 Gr.
 Carbonate of Soda 5 grains. Pow Ginger 3 Grs.
 For 1 Powder

For a Cough. ^{Mix 2. Head.}
 Dissolve some Gum Arabic in cold water it
 should be very thick. then take 2 large Spoonfuls
 of it & add 1/2 Dr of Lemon juice & 1 Dr of Syrup
 of white poppies. Mix it well together, & let a

Child take a tea Spoonful of it, 3 or 4 times
a day.

Dr. Faglo's red Bottle for Wounds. *Miss E. Reed.*
1 Pint of Spirits of Wine. 10z of Oil of Rosemary.
10z of Camphire. 10z of Alkanet Root.
Boil good for cuts.

Saline Draught. *Miss E. Reed.*
Lemon Juice. 12 oz. Tinct of Marrowood. 20 gts
Water. 1 1/2 oz. Sweeten with a little Sugar.

Hyptis.
Gum Arabic, put on lint powdered.
Scraped Whalebone. — Charcoal powdered,
very fine & put on a wound, will stop
the most violent bleeding.

For a Sprain.
Equal parts of

The juice of Leeks, extracted from what is white in the roots a large Table Spoonful mixed with $\frac{1}{2}$ a pint of Rhenish Wine and hour after breakfast, & again in the evening at discretion. It is better to take a little opening Medicine before or what is called "Casson's Stomach Powder." Once taking has sometimes proved sufficient. Perseverance is necessary.

For a Cough.

Take of boiling water, $\frac{1}{2}$ a pint. Black Currant Jelly, a Dessert Spoonful. Sweet Spirits of Nitre, a Tea Spoonful.

A Strengthening Uperient.

A Cup of Senna Tea, with hops boiled in it, to be taken hot, 2 or 3 times a night.

13 A Receipt for Blacking. Pearson.
Tron Black. 6 Ozs. Treacle. 4 ozs.
The Whites of two eggs. Two Lemons.
Oil of Nuttall 1/2 oz. Sweet Oil 1/2 oz.
& 1 Quart of Linseed.

Cough Mixture. Miss E. Read.

4 ozs of Treacle, 4 lb of Honey, & four
of Linseed: let it Simmer for 15 minutes
Add Candanum, Reginic, or Specerian
wine, according to circumstances.

A very good Recipe for a Cough.

Equal quantities of Elder Syrup & Syrup
of Marsh Mallows, add a Tea Spoonful
of Reginic to an oz of the above, if
the Cough is very troublesome.

Larding Grease. Miss E. Read.

2 ozs of Black Lead. 1 gill of Nuttall Oil,
2 lb of Hog's Lard.

14 For Strains or Rheumatism.

6 ozs of Camphor, dissolved in a pint of Spirits of wine, add a Bullcock's gall, & shake it well in a Stone Bottle. The part affected to be rubbed 3 times a day. — It is also good for Emigras &c.

Strengthening Mixture, for a young girl.

54 Grains of Sulphate of Iron.
2 Drachms of Carbonate of Potash.
3 ℥ of Mucous — To be mixed in a Quart of Peppermint, or Ginger Water.
A small wine glass to be taken, twice a day.

To destroy bad smells, in a sick room.

Put as much quick Lime into Soap Suds, till it is as thick as cream, & put it into a jar, in the room.

Diuretic.

A small handful of Parsley root, the same of Sandelion root, put into three pints of boiling water, & boiled untill reduced to a Quart. Add a little Sugar to flavour it. Take a wine glass full, 2 or 3 times a day.

To make Peppermint Water.

Put 10 or 15 Drops of Oil of Peppermint, in a
Small bottle, with 10 Drops of Spirits of Wine,
& fill it up with Water.

Peppermint Water. Dr. Houchmont.

1 Drachm of Oil of Peppermint to 7 Drachms
of Spirits of Wine, which makes the Essence.
One tea Spoonful of this essence, to be put
into 3 gills of water, (soft & boiled), & well
shaken together.

For Indigestion.

10 grains of Rhubarb, 10 Sc of Soda, 1 Drachm
of Juice of Cardamom, in two Table Spoonfuls
of Peppermint Water.

Heartburn &c.

1oz of Hartshorn, & 2ozs of Plume Pil.
Very good for a Sore Throat, & to take
the outside.

16 Aperient Pills. Miss E. Read.
4 Grains of Calomel, & 16 grains of Rhubarb,
to be made into 4 Pills.

Strengthening Mixture. Mrs B. Cook.
54 Grains of Sulphate of Iron.
2 Drachms of Carbonate of Potash.
3 ℥ of Syrup. To be mixed in a Quart
of Peppermint Water.

To Stop a Bowel Complaint.
Give instantly 25 Drops of Laudanum in
a tablespoonful of Castor Oil. When passing
give 5 Grains of Rhubarb Soda, 2 Grains of
Acid of Brand, 6 Drachms of Annamum Water,
& 6 Drachms of plain Water.

Strengthening Mixture.
Take 3 ℥ of Rhubarb, & a little Ginger in
a Cup of Chamomile Tea, fasting, in a
Morning.

Spasmodic Cough. Dr. Marchant.
40 Drops of Wine, 20 of Laudanum, $\frac{1}{2}$ oz of
Peppermint Water, 10z of Water.

17 Drumt for Indigestion.

5 lbs of Soda, a small quantity of Ginger
1/2 oz of Peppermint Water, 1/2 oz of plain Soda.
Miss E. Head.

For Rheumatism.

Take equal quantities of powdered Rhubarb,
Ginger, Columbo, Magnesia, & Carbonate of
Soda, pound them finely together, & take
a teaspoonful in a little water, every night
on going to bed. This is particularly efficacious
in cases of Chronic Niacata.

Strengthening Mixture.

10y of Shred Kinglass 1/2 oz of Bruise Sugar Candy
a Bottle of Cherry Put these in a Pitcher
& place the Pitcher in a Saucepan of hot water,
till dissolved.

Sap for Chapped Hands.

Miss E. Head.

20y of bitter almonds blanched, 1/4 oz of tincture
of Benzoin, 1 lb of good white Sap & a
piece of Camphire. To be beaten in a Mortar
till they are completely mixed. Then work
them with tincture of Benzoin, till quite
mixed. You can make this into little Squares
& keep it for use.

18 Spermaceti Cerate.

10z of Spermaceti, 20z of lard, 6oz of Sweet Oil. Melt it over a Fire, till cold.

To make Strengthening Jelly of Scurvy.

To a Cup full of Powder, put some cups of water, boil it down to half the quantity, then pour it off clear: add to the stock at the bottom $2\frac{1}{2}$ cups of water, boil it down to $\frac{1}{2}$ the quantity, & add it to the rest. It may be taken in Tea, or sweetened with Sugar or Orange juice.

For the Tooth ache.

Camphor 2 Grs. } The Pitt to be applied to
Powdered Opium. 1 gr } the Tooth, but not
Rectified Spirits of Wine, enough to make a Pile.

To clean Grates. Miss E. Read.

Take $\frac{1}{4}$ lb of Emery, $\frac{1}{2}$ lb of soft Soap, & a quart of Beer. Let them simmer till as thick as Mustard, then clean the Grates with it.

19 For taking Grease out of Silks &c.
Take 104 of Essential Oil of Lemons, 204 of
Rectified Spirits of Wine.

To get oil out of Boards.
Mix together Suttin's caulk, & soap lye,
& rub them into the boards: let it dry,
& then scrape it off with soft soap, & then
It should be put on hot, which may
be easily done, by heating the Lye!

Sweet Oil, Onions, or powdered ^{Magnesia} Chalk
are good for Bee, or wasp stings.

To take out Grease from Clothes.

Take off the grease with the Nail, or if
that cannot be done, have a hot
Iron, with some brown Paper. If not
all out, wrap a bit of flannel round
the finger, dip it into Spirits of Wine
& rub the grease spot. If paint should
get on coats, Spirits of Wine, or Turpentine
will take it out.

202 Mixture of Honey, with the purest
Charcoal, will prove an admirable
cleanser for the Teeth.

French Polish. M^{rs} Tomlinson.

2 Drachms of Gum Guaiacum.

2 Do. of Gum Mastice.

10y of Seed Lac.

Grinded very fine, & put into a Glass
Bottle. Add one Pint of the best Spirits
of Wine. Shake the Bottle well & frequently
it will be fit for use in 24 hours.

Then take Copal, 1 ounce, & half a pint
of Spirits of Wine, to dissolve this part
1/2 oz of Camphor. This mixture is to
be kept separate from the other, &
when used, put one tablespoonful
to three of the Polish.

Tridality Powder.

Take 2 Drachms of Tartarized Soda, & 2

Gruples of Carbonate of Soda.

Saline Draught. Miss E. Reed

21 For a burn, or scald.

Take a pint of Potatoes Juice, 1/2 an oz of
liquid Laudanum, 6 Drachms of Spirits
of Wine. The Potatoes to be grated & Strained.

For a Cough. W^m Burfield.

15 Drops of Tincture of Squills, a Small
Teaspoonful of Paregoric, & a Teaspoonful
of Honey. Mix these ingredients well
with the Alkali necessary for a Saline
Draught, & take it in a State of
effervescence.

Camphor Julife.

Take 10 Grains of Camphor, drop a few
Drops of Brandy to make it dissolve
Grind it in a Mortar with a few
Lumps of sugar, then add 1/2 a Pound
of water, & bottle it. Miss L. Read.

Grounded Tea, with a little Horehound
in it, is a very good thing to take, to
subdue fevers.

For a cold.

3 Drachms of Spirits of Mindererus, with 10 drops of Antimonial Wine, in a little warm water, to lay 5 or 6 hours.

1oz of Hartshorn, & 2 of Olive Oil - very good to rub outside the throat, when it is sore.

For Dysentery.

Take Blackberries before they are ripe, but turned red, put them into a Pot. tie them close up, & put them in a Kettle of water. Let them simmer over the fire, till reduced to a pulp: Strain them & to every pint of Juice, put a lb of powdered Sugar, boil it to a Jelly, & put it by for use. The Dose of a Pintney to be taken every night, till the Complaint is removed.

M^{rs} B. Cooke.

For Hooping Cough.

10 Grains of Specacumina Powder.

10 Grs of Rhubarb Powder.

Pour $\frac{1}{2}$ a pint of boiling water on the Powders, & when cold, give $\frac{1}{2}$ a Tea Cup of the infusion to a Child of 5 yrs old.

Twice a day & in proportion as the child is older or younger, more or less.

For Hooping Cough. M^{rs} B. Cooke.

Dissolve 3 scruples of Gum of Tartar in $\frac{1}{4}$ of a pint of warm water. Add to it 10 grains of finely powdered Cochineal & sweeten with Loaf Sugar. Give a child from one to 5 years old a tablespoon 4 times a day, & afterwards a Spoonful of Barley water. The above Relieves in 24 Hours, & cures in 5 days.

M. Allen.

Receipt for the Lumps.

Rub the part affected with the following mixture - 100 grains of camphorated Spirit, 40 drops of Spirit of Rosemary, & 4 Drachms of Spirit of Sassafras. Shake all well together. Keep it close. Rubbed 3 or 4 times a day upon the part affected, & always sleep in warm bed.

To clean bright grates.

Mix into a smooth paste, of the consistency
 of hen's grease, the finest flour, honey &
 sweet oil - rub a little of this with a
 piece of flannel, well in (taking care) not
 to wear any of it to get into the crevices,
 then wash a little whitening tied up in
 muslin & there a little up to the grates
 that - Finish by rubbing with a leather.

Excellent Gargle.

St. Graham.

Mix together in a half pint tumbler three
 tea spoonfuls of vinegar, two tea spoonfuls
 of Tincture of Myrrh, two of Honey, & about
 one fourth of the tumbler of Port wine,
 then fill up the tumbler with lukewarm
 warm water, & the gargle is fit for use.

For banishing insects from Fruit
trees &c (Copied from "Bell's Messenger"
June 1846)

Dr. Lindley recommends a solution of
Carbonate of Ammonia, ($\frac{1}{2}$ oz to a Quart
of water) as the best recipe for the
destruction of the Aphides, which are
swarming the garden. The application
should be frequently repeated by sharp
expulsions from a fine eyed syringe.
Besides being clean & effectual, the
Carbonate of Ammonia improves the
health of the foliage.

Port Wine jelly.

M^{rs} Aldam.

2 ozs of the best Elinglaff —
 3 ozs of broken Sugar Candy —
 1/2 oz of gum Arabic.
 1 Pint of Port wine & a little grated
 Nutmeg. Let them stand together
 12 hours, then simmer over a slow
 fire, untill all is dissolved — When
 cold, take a piece the size of a
 walnut, 3 times a day.

M^{rs} Gresham
 Solution for weak & inflamed eyes.

4 oz of Sol. Ammoniac.
 2 oz of White Saffron.
 1/4 oz of powdered Camphor.
 3 Teaspoonfuls of Alcohol.

Beat these ingredients finely together,
 pour over them one gallon of
 boiling water — let it stand 4 or 5 days
 covered with a cloth, straining it

207
Several times in Day - Then bottle
it for use. very far.

Continued

Samuel Morton.

- 2 Pennyworth of Red Precipitate.
- 1 Do of White Do.
- 2 Do of Brown Sincylone.
- 1 Do of White Do.
- 2 Do of Bees Wax.
- 2 Do of white Do.

$\frac{1}{4}$ oz of Wax.

a Lump of white Sugar.

a Piece of Mother Lact, the size of
a Walnut.

These ingredients to be slowly dissolved
in a Jar, in the Beer, frequently stirring
them.

Another Continuation

Samuel Morton.

1 oz of Bees Wax.

1 Pennyworth of Sweet Oil.

28^o 2 Lbs of Rags' Land (Flesh without Skin) 28^o
1/2 lb of white Wax
1 Pennyworth of Sweet Oil..
To be slowly dissolved in the Beer,
the same as the other.

For a Cold & Cough.

To 2 Tablespoonfuls of Elder Syrup, add
a Dessert Spoonful of Syrup of Marsh Mallows,
& a ^{small} Spoonful of Paregoric.

The above may be taken in a Cup full
of warm water, as occasion requires.

Strengthening Plaster. The Father

Take of Red Lead Plaster, Gum Resin,
Mastic, of each 4 ounces. Burgundy
Pitch 3 ounces. Gum Benzoin, Dragons
Blood, Ole of each 2 oz. Turpentine
a little bit of Balsam of Peru,
Essential Oil of Lavender, of each
1/2 an ounce.

29 Yellow Wax & Treacle - Mix, & make
a Plaster, which when mounted
spread upon white leather - heated
as little as possible.

A good Prescription for ^{Mr. Sontag's} Giliac's
from the effect of the hot weather.

5 grains of Powdered Ginger.
5 grains of Saccharated of Soda.
5 grains of Magnesia -
In a small glass of Water.

For a Wasp Sting.

Spirits of Ammonia & Hartshorn & Oil.
Powdered Blue - Honey.

Print a dark brown — (mouse)
 Blue — 2 Bys — make together.

3 lbs. Maudslayi or Singapore —
2 do do same by Plymouth —
2 do do do do do —
1 lb. Maudslayi or Singapore —
1 lb. Maudslayi or Singapore —

Powder to destroy the Aphid.

To six pounds of Sulphur;
add one of Potch Snuff,
& $\frac{1}{2}$ a Pound of Wax & Resin
very finely powdered.

Wash the tree infected
thoroughly, with a hand Engine
or Syringe, the current
being thrown upwards.

Afterwards apply a small
quantity of the Powder,
from time to time as
occasion requires.

Wash for Trees, whose bark is
infected by Insects.

To six gallons of hot water, add
as much soft soap as will
make the water sensibly
thick. (or soap suds of)
Add one quart of Solution
of Arsenic, made according
to the habit of the London
Chemists with three ounces
of black pepper ground
very finely.

4 oz. Pot. Linnæensis.

2 oz. White Lophus.

$\frac{1}{4}$ oz. powdered Camphor.

3 grs. Mithra Almonds.

Put finely together. Pour over them one
pint of boiling water - let it stand 4
or 5 days, covered with a cloth - straining it several
times a day - then bottle it for use -
Dose half Teaspoon,

I have sent you a small bottle of the
Lotion; as I thought you would like to try it,

Before making any - Yours sincerely,
H. L. 1. Garbonyk -

For the Cramp to Rub the part
affected. Four Ounces Camphor
ated Spirits 40 Drops of Spirits
of Rose mary, and four Drams
of Spirits of Sassafras, Shake
all together keep it close Corked.
Rub a little of this Mixture
upon the part affected and
always Sleep in warm Stockings,
Miss Fanna Rect May 13, 1829
